PROFILE

B.Des. in Visual Communication from HIT, graduated with high honors. I work across branding, motion design, post-production, compositing and UX/UI.

My work explores the emotional side of technology: how images, interfaces and digital systems shape memory, mood and perception. Clean, intentional design with subtle imperfections, so it feels both sharp and human.

EXPERIENCE

2024 - 2025 — **Motion Designer** · Kulaitzuv Magazine
Motion design for the magazine.

2019 - NOW — **Freelance Designer** · Independent
Branding and product design for independent clients.

SELECTED WORK

Anemoia — 2025
VIDEO ART INSTALLATION · AI

Graduation project. Six CRT monitors where AI rebuilds a woman's half-forgotten childhood.

Clarity — 2024
BRANDING · PACKAGING

Identity, packaging, landing page and posters for a conceptual microdosing drink line.

Xhibit — 2024
UX / UI · DESKTOP SOFTWARE

Real-time control software for immersive exhibitions. Made with a classmate.

Surface Deep — 2024
BRANDING · COPYWRITING

A fictional skincare brand built on the American Psycho morning-routine monologue.

The Curious Incident — 2023
MOTION · TITLE SEQUENCE

Animated title sequence for the novel: typography, compositing, keyframe animation.

Unfolded — 2023
EDITORIAL · BOOKBINDING

A hand-bound A5 artist book around Roger Ballen's photography.
